

## LA70 LED Light Armature

- Maintenance free
- Built with Light Emitting Diodes
  - Extremely long life time
  - In excess of 60.000 hours
- Low power consumption
- Operates on 19-29V DC
- Reduced light output for emergency mode (battery back-up)
- Heavy duty housing
  - Extruded Aluminum profile (Seawater resistant)

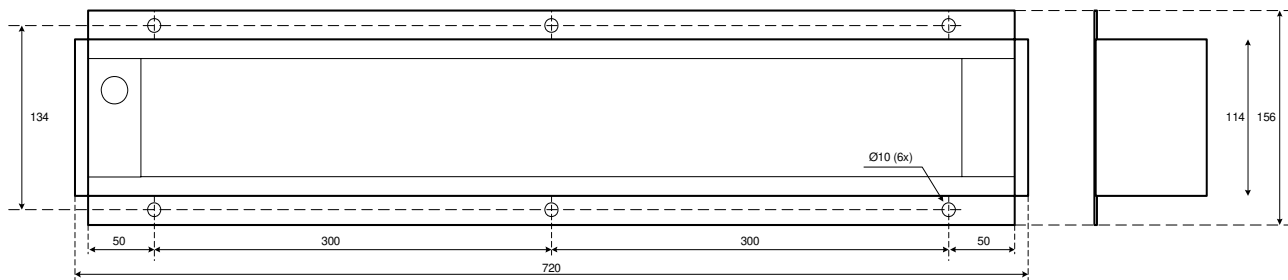

The LA series is a high quality LED light armature that comes in different versions, with a variety of light output. It combines low power consumption, high light output and maintenance free features into a cost effective high quality product.

### Technical data

- Illuminance: 750 Lux @ 1 meter.
- Power: 24W / 24V DC
- Color: Neutral White (optional: cool, warm)
- Window: Clear acrylic glass (optional: frosted for defused light)
- Mechanical: Extruded Aluminum Profile (Seawater Resistant)
- IP Class: IP67
- Dimensions: L: 720 x W: 156 x H: 82mm (optional: diff. length)
- Weight: 4,5 Kg
