

LA70-SE LED Light Armature

- Maintenance free
- Built with Light Emitting Diodes with Side-Emitter lenses
 - Extremely long life time
 - In excess of 60.000 hours
- Low power consumption
- Operates on 19-29V DC
- Reduced light output for emergency mode (battery back-up)
- Heavy duty housing
 - Extruded Aluminum profile (Seawater resistant)

The LA series is a high quality LED light armature that comes in different versions, with a variety of light output. It combines low power consumption, high light output and maintenance free features into a cost effective high quality product.

Technical data

- Luminous Flux: [lm] 1300
- Power: 33W / 24V DC
- Color: Neutral White
- Window: Clear acrylic glass
- Mechanical: Extruded Aluminium Profile (Seawater Resistant)
- IP Class: IP67
- Dimensions: L: 720 x W: 156 x H: 82mm
- Weight: 4,5 Kg
